Dear Sir/Madam,

We are **Malwa Machine Tools (India) Pvt.Ltd.**

We introduce our selves as the leading manufacturer of the **Metal Cutting Band saw Machines** having Cutting Capacity **210 to 2500** mm Round, Square & Flat. Besides, these machines we also manufacture **DEDICATED APPLICATION METAL CUTTING BANDSAW MACHINES & VERTICAL BANDSAW MACHINES.**

Malwa Machine Tools (India) Pvt.Ltd.is a manufacturer of High Performance Metal Cutting Band saw machines. Our Primary goal is to create Value for our customers, by continuously striving to achieve the highest combination of speed and accuracy, Combined with cost Effectiveness. In addition Malwa Machine Tools (India) Pvt.Ltd Offers the widest selection of modals, which allows as not overselling or underselling a customers needs. Through detailed discussion with end users.

With our **25 years** in Metal Saw manufacturing, Malwa Machine Tools (India) Pvt.Ltd has clearly positioned itself as the technological Leader in the Industry. This coupled with the synergistic manufacturing capabilities, Commitment to excellence and a mindset of not taking shortcuts, keeps it on the forefront of Quality.

The overriding philosophy is one of focusing the long-term Cost-effectiveness for the end user, rather than trying to develop the Cheapest equipment from an up front capital investment perspective. Cutting Corners to reduce the initial purchase Price, will only compound themselves in the quality of Cutting and/or fabricating, and potentially, the lifetime of the machine itself.

We are the only manufacturer in India who offers fully Casted Cutting Arm for trouble free performance of the Machine.

If you need further clarifications, we will be more than pleased to assist you.

Thanking you,

Yours truly,

For: Malwa Machine Tools (India) Pvt.Ltd.
